### General data

|                     |                  |
|---------------------|------------------|
| Location            | Netherlands      |
| region              | Gelderland       |
| Year of manufacture | 1994             |
| Warranty            | Without warranty |

### Technical parameters

|                                   |          |
|-----------------------------------|----------|
| Maximum force (pressing)          | 220 t    |
| Maximum bending lenght            | 157.5 in |
| Distance between frames           | 124 in   |
| Throat depth                      | 13.8 in  |
| Maximum approach speed            | 3.9 in/s |
| Maximum distance of the backgauge | 39.4 in  |
| Power demand                      | 36.2 hp  |

### Equipment

|             |   |
|-------------|---|
| CNC control | + |
