### General data

|                     |                                                                         |
|---------------------|-------------------------------------------------------------------------|
| Location            | Italy                                                                   |
| Year of manufacture | 1994                                                                    |
| Warranty            | Warranty boot                                                           |
| Technical condition | Good                                                                    |
| Loading             | The seller organizes the loading - included in the price of the machine |
| Transport           | The seller organizes the transport at a surcharge                       |

### Technical parameters

|                          |          |
|--------------------------|----------|
| Maximum force (pressing) | 100 t    |
| Maximum bending lenght   | 157.5 in |

### Equipment

|                      |   |
|----------------------|---|
| CNC control          | + |
| Foot control         | + |
| Wila clamping system | + |
| Light curtains       | + |
| Lighting             | + |
| CE Declaration       | + |
