### General data

|                     |                                                   |
|---------------------|---------------------------------------------------|
| Location            | Poland                                            |
| region              | Dolnośląskie                                      |
| Year of manufacture | 1992                                              |
| Warranty            | Without warranty                                  |
| Technical condition | Very good                                         |
| Payment             | Before receipt                                    |
| Transport           | The buyer organizes the transport at his own cost |

### Technical parameters

|                                          |          |
|------------------------------------------|----------|
| Maximum turning length (Z-axis)          | 20.9 in  |
| Turning diameter over bed (max)          | 11.8 in  |
| Maximum travel length in the X-axis      | 7.1 in   |
| Number of spindles                       | 2 pcs    |
| Maximum power of the main spindle        | 20.1 hp  |
| Diameter of the spindle bore             | 2.4 in   |
| Minimum rotary speed of the main spindle | 35 rpm   |
| Maximum rotary speed of the main spindle | 5000 rpm |
| Number of tool turrets                   | 1 pcs    |
| Total number of tools in the turret      | 12 pcs   |

### Additional technical parameters

|                          |          |
|--------------------------|----------|
| Subspindle power         | 13.4 hp  |
| Maximum subspindle speed | 5000 rpm |

### Dimensions

|                     |               |
|---------------------|---------------|
| Weight of the lathe | 5.2 short ton |
|---------------------|---------------|
